**NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

Capital:     2023-2028

Attached is the Capital Plan for the years 2023 through 2028. The first year of the Capital Plan, 2023, constitutes the Capital Budget for the City whereas the subsequent years represent a planning document outlining the infrastructure needs of the City prioritized by year with a recommended funding mechanism for each item.

Bond ordinances are typically associated with Capital Projects. In 2023 the City has included money in the Capital Improvement Fund to pay for any necessary downpayment.

The Capital Plan is important in that it reveals the current and future needs of the community extending from infrastructure to equipment. This plan is extended over several years to address the financing of these improvements so as to not overburden the taxpayer.
