

# The Time is Now!

# Englewood Recycling!

## Recycling Makes Cents!

## Attention!

The recycling industry is changing and focusing on the types of recyclables that generate the most revenue. Please see the updated list below for what is accepted and not accepted. Please note that these are general guidelines - check the number on the items.

Questions about what is and is no longer recyclable?

Call: 201-568-3401 x206 x402 x403
