

## Chapter 172. Contractors, Registration of

### § 172-8. Rules and regulations.

[Added 12-18-1984 by Ord. No. 84-50; amended 12-3-1985 by Ord. No. 85-50]

All persons required to be registered hereunder, as well as builders of new homes who are registered with the State Department of Community Affairs pursuant to P.L. 1977, c. 467 (N.J.S.A. 46:3B-1 et seq.), principals, employees, agents, contractors and subcontractors thereof, and the owner and developer of any premises upon which such construction takes place shall comply with the following rules and regulations respecting construction work within the City of Englewood:

- A. The construction, erection, alteration or repair of any building or structure shall not be permitted on Sundays or legal holidays nor shall it be permitted other than between the hours of 7:00 a.m. and 6:00 p.m. on Mondays through Fridays, nor shall it be permitted other than between the hours of 9:00 a.m. and 5:00 p.m. on Saturdays, and further the use of any heavy construction equipment in connection therewith, including the use of bulldozers, tractors, generators, pneumatic drills, pile drivers, cement mixers, or similar equipment, or any excavation, blasting, earth moving or demolition, or any felling of trees or land clearance, shall not be permitted other than between the hours of 7:00 a.m. and 6:00 p.m. on Mondays through Fridays. No construction shall be permitted at any other time, except in the case of urgent necessity in the interests of public health and safety, and then only with a permit issued jointly by the Division of Code Enforcement of the City of Englewood and the City Engineer, which permit may be granted for a period not to exceed three days while the emergency continues and which permit may be renewed for further periods of three days or less while the emergency continues.
- B. No contractor hereunder shall suffer or permit any of its employees, principals, agents or subcontractors to report to the work site or assemble or congregate on any public street in the vicinity thereof prior to the starting hours set forth in Subsection A above nor to remain on the work site beyond the closing hours set forth in Subsection A above.
- C. No contractor hereunder shall suffer or permit any of its employees, principals, agents or subcontractors to park any construction vehicles or equipment upon any public street in the vicinity of the work site except as required for loading and unloading and then only between the hours set forth in Subsection A above and for a period not to exceed two hours per day. "Construction vehicles and equipment" shall mean any truck, tractor, trailer, generator, bulldozer or similar vehicles or equipment used in connection with the construction work being performed on the site but shall not include passenger automobiles. Except as otherwise provided above, all such construction vehicles and equipment shall be parked upon the work site itself.
- D. Construction vehicles and equipment, as defined in Subsection C above, shall not be left idling or with their engines running except while actually in use.

## Chapter 172. Contractors, Registration of

### § 172-9. Violations and penalties.

[Amended 2-5-1985 by Ord. No. 85-01; 12-3-1985 by Ord. No. 85-50]

Any person, including but not necessarily limited to, a contractor, subcontractor, developer, or owner of premises, whether an individual, partnership or corporation or any principal, agent or employee thereof, who violates any provision of this chapter shall be subject to arrest and, upon conviction thereof, shall be punished by a fine of not less than \$100 nor more than \$1,000, or by imprisonment for a term not exceeding 90 days or both. A separate offense shall be deemed committed on each day during or on which a violation occurs or continues.
